

WHAT IS RECONNECTIVE HEALING®?

Reconnective Healing is a return to an optimal state of **balance, wholeness and vitality**. It's tangible, measurable.. You can actually feel it!

"The leader in informational medicine."

-Stanford professor Dr. William Tiller

Reconnective Healing is scientifically shown to:

- **Restructure damaged DNA**
- Be more effective than physical therapy in restoring range of motion
- Support athletic peak performance
- **Reduce stress**, & promotes deeper states of meditation synchronizing EEG and EKG waves
