

Healing Karma

with Angels

Workshop

Learn to improve your life by healing your current situations, health, finances, and relationships. Healing Karma with Angels will teach you to identify negative and positive issues from karma. This class will go through the laws of karma, karmic bands, contracts, and identifying the 3 selves. We will contact our angels through meditation to receive their guidance to remove blockages and heal from from issues past life issues to move forward with happiness, success, and love.

This workshop will include a lecture on karma, 3 different angel meditations working with various angels, and a discussion.
